## HAPPY BIRTHDAY!!

Please remember, attending worship affirms that you do not have COVID-19, or symptoms associated with COVID-19, or awaiting results from a COVID-19 test, or have been to a designated 'hotspot', or have not been in contact with any known or suspected cases of COVID-19, or that you have been in contact with anyone who has travelled from overseas in the past 14 days. Please be aware that persons aged 70 and over, and people with chronic medical conditions are at a greater risk of serious illness by involvement in public group places. We all must still be attentive to all guidelines directed by health professionals as much as we can.

## MY DWELLING PLACE

While in school we learnt about LCD or lowest common denominator. To add very different fractions like 1/2, 2/3 and 3/8, one must work with a LCD of twenty fourths. However, instead of fractions how do different cultures come together? There are different languages, backgrounds, attitudes .. the whole cultural thing to contend with.

**Do we look for a lowest common denominator? Or does the dominant group say, 'Well they just have to be like us? They have to give up whatever they have in order for us to accept them?'**

The whole issue of multiculturalism in Australia falls into this area. **Do we appreciate people of a different language living next door to us? How accepting are we of anyone who is in any way different to us? Are we building an Australian society that's accepting or do we exist like different fractions?**

David wanted to build God a house we read in Samuel.

With his mindset, I might ask;

**'What sort of house would you or I build that many people may come as one to worship our Lord and Creator?'**

We might instantaneously reflect in human terms and from a human point of view. But the Lord has something quite different in mind.

The Lord says '*I have not dwelt in a house*

*....the Lord himself will establish a house for you.'*

**To this point the Hebrews have used a Tent as the meeting place but what house did the Lord have in mind?**

**Who were the people He would build it for?**

**What would be the purpose of this place He would establish?**

Questions worth pondering!

Blessings, Rev Glenn

### THANK YOU TO EVERYONE

Don't worry, there will be alternate methods of check-in for everyone as it arises. Let us all worship our loving God through Jesus Christ Our Lord in our Sunday Service.

### Cleaning

Thank you to the lovely people that clean our wonderful Church. However our Church requires one more person (or couple) to help in this area. We are only one position short, so if you can help, please contact Betty Jenkins.

### NeXus Monthly Journal

The July 2021 NeXus Monthly Journal has been printed and will again be in the Church foyer for distribution. Can all carers please make sure these are distributed to the people that you look after. The digital version has been emailed.

This July issue includes a Church Property team update, beautiful prayers and a heart-warming article from Rev Graham Warne.

### The first Psalm reading for this week is Psalm 24

Firstly, please read PSALM 24 THE GREAT KING

David may have composed this psalm after buying the Temple Mount, intending for it to be sung at the dedication of the Temple by his son, Solomon. In verses 7 and 9, he instructs the gates of the Temple to open to receive God's glory at that time.

The Talmud notes that when Solomon came to dedicate the Temple and bring in the Ark of the Covenant, the gates refused to open. They acceded only after Solomon prayed for them to open in the merit of his father, David.

Please pray; Lord, I ask that your Holy Spirit will dwell in my life in the name of Jesus. Lord God, I ask that you will sanctify my heart and clean my hands that I may be able to stand in your presence in the name of Jesus, Amen
