## **THE REAL DEAL**

Years ago I knew someone who received regular discouragement in her attendance at worship from a spouse who spoke of it as talking to her "imaginary friend." I feel it must have been a bit difficult for he was suggesting her faith was all in her mind.

However perhaps it raises the question of 'What is real?' What gives life substance and purpose? We often hear said, '*When life gets back to normal*' as if that which we had two years ago, a so-called normal, was the only thing which gave our life meaning. I could do what I wanted and when I wanted. But is that what is real; only what I can touch or see? Hebrews claimed the manna they received from Moses in the wilderness was the real thing. It was tangible. However, Jesus had to remind them it was given by God and only a shadow of what was to come?

On this communion day we are hearing Jesus say, 'I am the real bread. I am the bread that came down from heaven.' For me as someone stepping out in faith each day it says to me, 'I live in this world which is very real, with people I love who are also very real and yet there is also a finiteness about life which cannot give a person that deep sense of who they are and why they are here. But Jesus Christ does. He is the real bread that nourishes life.

**What else does it say to you?**

Blessings, Rev Glenn

### **Welcome to our Sunday Worship Service**

The Nambour congregation welcomes everyone to worship.  
Please welcome and thank our attending minister Rev Glenn and his lovely wife Anne,  
as we accept all who gather to worship in peace,  
with an invitation to pray and reflect in the Prayer Chapel at any time our Church is open.

#### **THANK YOU**

I would like to thank the many people who have generously shown love to us. To those who have supported our family with their heartfelt prayers, messages of love and encouragement during this time as we remember the life of my wonderful husband Rev Ron. I appreciate our church community and the support that you provide and sincerely thank you for your love. Thanking you, Ruth Potter.

#### **August Mission Focus is BLUE CARE**

For over 65 years, the commitment to empowering Queenslanders to live their life has set Blue Care apart.  
A celebration - **Blue Care Sunday 22 August 2021.**  
This is a very special day for Blue Care where we take the opportunity to remember and celebrate the Blue Care staff, volunteers, family members and supporters who have helped Blue Care to become what it is today.

#### **When entering Church at any time**

Please make sure you use the QR Code (or sign the volunteer register) each time you are in Church.  
And also, when cleaning, etc please keep on signing the volunteer register on the kitchen bench. this is vitally important, as it helps with our insurance risk assessment, in addition to our health, safety and risk management programs for all our congregational members and visitors.

#### **Morning Tea**

Our Congregation has been missing our get togethers over morning tea after worship due to COVID.  
With restrictions easing around the serving of refreshments, Church Council has decided we would like to hold a morning tea in September.  
We need a person to co-ordinate this and also volunteers to assist in the various tasks: setting up, preparation, serving and cleaning.  
If you can assist in this way please talk to Linda Woodward.

#### **Rosters**

The new service roster is out, most by email, pick up your roster with your name on it in the foyer.
