love breaking into the world**

SUNDAY 29th August 2021

'Fools rush in where angels fear to tread.'

It sounds like a proverb but it was first penned by Alexander Pope in a poem which speaks of the capacity of inexperienced people to rush in and attempt something rashly where wisdom warns us to be cautious or avoid altogether.

Yes Wisdom! The present withdrawal of terrified people from Afghanistan has certainly made many question the wisdom of such a war in the first place. Did the nations achieve their objective or actually make life worse? I guess time will tell the wisdom of it all..

Speaking from experience however there have been occasions when I have been quite foolish. There's been the failure to consider the dangers or the outcome of what I have said. Wisdom has certainly been something I've learnt from what I have done. If not I will foolishly repeat the 'mistakes' of the past. As we journey forward as the Body of Christ much of what we once treasured in the past is gone. We all realise life has changed. Communities and attitudes have changed.

There is wisdom to be learnt from the past but if we continue to attempt doing things as we did in the past we may not have learnt much at all. However, while it is not always clear, there is a wisdom to be learnt from the present also. Fools rush in and try to change the world overnight but fools also avoid doing anything. Jesus is the 'Bread of life' for us then He is nurturing us in the way we must go.

I often ask myself, **'What will 'church' look like in another generation and what wise steps should we be praying about now and perhaps acting upon?'**

Rev Glenn

Nambour Uniting Church

Welcome to our Sunday Worship Service

The Nambour congregation welcomes everyone to worship.
Please welcome and thank our attending minister Rev Glenn and his lovely wife Anne,
as we accept all who gather to worship in peace,
with an invitation to pray and reflect in the Prayer Chapel at any time our Church is open.

The Important Work of Blue Care

Our focus this month has been Blue Care, last Sunday was Blue Care Sunday, a celebration of all those people that work and volunteer in an industry caring and helping a varied range of people.

We recognise the paid, volunteering and chaplaincy services available through in-home care, aged care, disability care services and retirement village care services.

A retiring offering bowl for donations will be in the foyer.

Thank you for caring, and also we thank the Blue Care workers for showing their unceasing care.

SUNDAY WORSHIP SERVICE LINK

Thanks to Don Heaton for video recording the Worship Service each Sunday.

Each Tuesday a LINK will be sent via email to watch and participate in the previous Sunday Service on our Church youtube channel - **[nambouruca.youtube](https://www.youtube.com/channel/UCnambouruca)**

To feel that we truly belong to Christ, Don is using his expertise in presenting the Worship with the words to the hymns that are sung each week on the screen to sing along and praise our great and wonderful Creator.

Please look for this LINK each Tuesday in your 'inbox'.
