SUNDAY 24th October 2021

BLIND BARTIMAEUS

It's interesting how this reading is part of our devotions
a little more than a week after my little eye op!

Many have one cataract removal, except I had some 'plumbing'
inserted to help drainage for the glaucoma.

The next day it was plaster removal, eye cap off and what can I see?
Nothing! Just a white screen. But no worries, they say. The blood is
a result of the stents being inserted and will clear in a few days.

It made me feel just a little better, but off I go, my balance still out
of order and thinking what it would be like if I couldn't drive again.

However, Bartimaeus has had a blind condition for a long time;
enough to make him really shout for help when Jesus comes on the
scene. There's a real desperation in his voice to gain Jesus's
attention which is fuelled by a desire to see and regain his dignity as
a person. My mind drifts to the Christian Blind Mission and their
work among people with river blindness as well as many other eye
diseases; people who have no-one to shout out to and little
possibility of gaining someone's attention.

It makes my little episode fade into insignificance when placed
beside the misfortune of others.

**Have you ever wondered why this blind beggar
beside the road is named in the Gospel of Mark?
Of all the people Jesus healed in Mark, Bartimaeus alone is
named? I believe it's worth pondering the question why?**

Blessings Rev Glenn

Nambour Uniting Church

Welcome to our Sunday Worship Service

The Nambour congregation welcomes everyone to worship.

Please thank and welcome back from holidays our attending minister Rev Glenn Ingram
as we accept all who gather to worship in peace,
with an invitation to pray and reflect in the Prayer Chapel at any time our Church is open.

The Church gardens are coming along really well, thanks to June and her small band who volunteer some precious time as they create some beautiful areas on our Church grounds. This is a long-term project, anyone who thinks that gardens can be made overnight is mad, it takes a lot of nurturing and a lot of passion to commit to upscaled garden areas like we have here.

A minimum 5-year plan is now about half way, so another 2-5 years we will see this massively beautiful change, and there is upkeep on top during this time period. It's long term, luckily June will be around for another 30 years or more to continue in this beautification process!

Adult fellowship

Nambour fellowship will be meeting next Thursday 28th October in our Church. Please BYO cup and also any eats that you need. This fellowship will be a bring and share session, bring something from home and tell us that story, a couple of good laughs or maybe some great memories can be shared and enjoyed. Looking forward to seeing many faces next Thursday for a good time. Everyone welcome.

HAPPY BIRTHDAY!!

Gladys Gunns is turning 90 years young next Friday 29th October 2021. Happy Birthday Gladys. We pray that your birthday has many happy surprises install for you. God has been with you all your life and evermore.

TODAY - Morning Tea

After Sunday Worship, morning tea will be served.

Have a sit, and a chat, please BYO cup or a cardboard version can be supplied.

It's so good to be a part of the social morning tea that our Church is able to provide. May we ask for a few helpers before, during and afterwards please, Happy Cuppa!
