SUNDAY 31st March 2024

Easter Sunday

Collect: Jesus of Nazareth, crucified mortal, resurrected Christ, send us also from east to west and from north to south, in whatever direction pleases you, with voices filled with the joy of faith and the message of eternal salvation from your cross and empty tomb, that others may share our Easter surprise and not be afraid of death, Amen.

From the desk of the minister:

The power of Resurrection empowers us to be Easter People

Some Christian people stated that their convictions were not the Sermon on the Mount, or the great healings and teachings performed by Jesus, but the Resurrection of Christ that caused Christians to turn the world upside down. How true! It was the miracle of the resurrection that not only boggled the minds, but transformed the lives of the early believers. The apostle Paul was a different man after he saw the resurrected Christ. To the Roman Christians he wrote that Jesus of Nazareth **“was declared to be the Son of God with power...by the resurrection from dead”**. In fact, Paul is always and forever proclaiming the death and resurrection of Christ throughout all his epistles. Paul devotes much of 1 Corinthians to the resurrection theme, closing that chapter with the well-known doxology: **“Death is swallowed up in victory. O death, where is your sting? O grave, where is your victory?.. Thanks be to God, which giveth us the victory through our Lord Jesus Christ”**.

To Paul, Christ's resurrection was the final assurance of his redeeming work. How can we become Easter people? By living a transformed life in Christ, the Old has gone and the new has come, said Paul. The power of resurrection is still available to you and me today. He is still the perfecter of our faith and the main spring of our life. **“In him we live and move and exist.”**

St.Paul also reminds us in 1 Cor 15:14 – **“And If Christ has not been raised, our preaching is useless and so is your faith.”** Let us continue to live and experience the significance of the resurrection of Jesus. We are called to be Easter people wherever we are and whatever we do. **Happy Easter everyone and Safe journey if you are travelling. This week that changed the world continues to change our lives.**

Prayer Concerns Good Friday Service

Many in our Nambour congregation have written their prayers of concern and have placed them in the bowl at the cross. These prayers are for Our Lord understanding and blessing. At the conclusion of our Easter Service the papers will be destroyed, as God will keep these important prayers in his heart. We can be confident in the wisdom of our loving God that these prayers will be answered one at a time. May God have mercy, Amen.

Next Week 7 April 2024 Sunday Service

Our Nambour Church has invited Uniting World to our Sunday Worship Service at 9AM. Uniting World representatives Don and Sylvia Wright will conduct the service along with Rev Maile. Our musicians, Bible readers, etc will be the same as listed. Uniting World and overseas church partners fight poverty and its causes, empower women and girls, build resilience to climate change and disasters, and also strengthen the leadership of the global church.

Proverbs for Daily Living –

1. “Outside of the cross of Jesus Christ, there is no hope in the world. That cross and resurrection at the core of the Gospel is the only hope for humanity. Wherever you go, ask God for wisdom on how to get that Gospel in, even in the toughest situations of life.”

Ravi Zacharias

2. “Here is the amazing thing about Easter; the resurrection Sunday for Christians is this, that Christ in the dying moments on the cross gives us the greatest illustration of forgiveness possible”

T.J.Jakes
