## From the Desk of the Minister

**Collect:** Creator of Life, Living Word God, Spirit of the Living God, we come into your presence through the gate of Christ. In your guidance we feel calm and safe because of the love you have offered all the world through your Son Jesus Christ our Lord. Amen

### **Jesus is the Gateway**

I love the Gospel of John because it reveals to us that the intention of his writing is to restore people to life again. Sin had affected our first parents and in fact flowing down to us. John is trying his best to make sure that the Son of God, Jesus Christ is the only way back to life. In this gospel reading for this Sunday, John presents Jesus as the ultimate leader who loves and brings life to his followers. In v.10 – “The thief comes only to steal and kill and destroy; I have come that they may have life, and have it to the full.”

To become a good shepherd is to come out of the shell of selfishness in order to be attentive to those for whom we are responsible and care for. The shepherd symbolizes watchfulness by being alert to the enemies. His duties entail the constant exercise of vigilance. He is awake and watching all the time. He calls his own sheep and leads them out. He goes on ahead of them, and his sheep follow him because they know his voice.

It is important to know that the sheep follow not because they see but because they recognise the voice of the leader. There are many voices out there in the world. Whose voice is really important for you to listen to and then respond? Today we also read Psalm 23 alongside John 10: “The Lord is my shepherd, I lack nothing.” When we have the Good Shepherd and obey his voice, we are likely to endure all situations in life and we will dwell in the house of the Lord forever.
