From the Desk of the Minister

Collect: Almighty and everlasting God, you are always more ready to hear than we to pray. And to give more than we either desire or deserve: Pour upon us the abundance of your mercy forgiving us those things of which our conscience is afraid, and giving us those good things for which we are not worthy to ask, except through the merits and mediation of Jesus Christ our Saviour: who lives and reigns with you and the Holy Spirit, one God, for ever and ever. Amen.

Nothing compare to knowing Christ Jesus

This is one of the great messages that St. Paul left for his beloved friends in Philippi. He told them that human achievements, no matter how impressive, cannot earn a person salvation and eternal life with God. Paul himself had impressive credentials: He was a proud member of the tribe of Benjamin, a Hebrew of Hebrews, a great Pharisee and he persecuted the church because of his love for Judaism. Everything he was so proud of his upbringing, his background, inheritance etc. But when we come to verse 8 in Philippians chapter 3, after he considered everything he had accomplished in his life, he decided to write off as “loss” when compared with the greatness of knowing Christ.

We should value our relationship with Christ as more important than anything else. To know Christ should be our ultimate goal. To know Christ is far more than just the skin deep knowledge of him. We need to dig deep into seeking him to know that he is the ultimate being that makes everything works for us in all circumstances. He is the eternal Word who is with God and who is God. He created everything in the entire universe. He is the express image of God in all His glory. To know Jesus is to know him as God as Paul saw him in today's reading. You would agree that everything in this world is worth very little compared to the precious privileges of knowing Jesus. Paul gave up everything in order to know Christ and his resurrection power. Nothing compare to knowing Christ!

Proverbs for Daily Living

“Once you become aware that the main business that you are here for is to know God, most of life’s problems fall into place of their own accord.”

J.Packer

“Science says that we need at least 4 basic elements to survive. 1. Water, 2. Air, 3. Food, 4. Light. And look what the bible tells us about Jesus. 1. I am the Living Water. 2. I am the Breath of Life. 3. I am the Bread of Life. 4. I am the Light of the World. Science was right, we need Jesus to live.”
