From the Desk of the Minister

Collect: Almighty and Mercifiul God, we give thanks for the good memories we have of our loved ones who have departed this life. They have entered to be with you in your eternal Kingdom. Give us the peace and comfort knowing your presence will always be with us, through Jesus Christ our Lord, who lives and reigns with you and the Holy Spirit, one God now and forever . *Amen*.

We are the children of the Light

As we approach the end of the Christian Calendar, we are remaindered that we are always the children of the light. The Advent Season is coming soon and the Christmas decorations of the lights at the Shopping Centres or at home have started to bring the Spirit of Christmas. It can be so beautiful. But the deeper sense of Christmas is the Light has come and the darkness did not overcome it.

Advents is the season of preparation for the coming of the little baby Jesus in the Manger in Bethlehem over 2000 years ago. And on the other hand, we also prepare and be ready for his second coming to judge the living and the dead.

The people in Thessalonica expected Jesus to come back when they still alive. They were anxious and worried of the possibility that one of their loved ones could die before Jesus returns. So in this reading, St. Paul is encouraging the people, providing instructions on how to wait faithfully for Christ's return. He wants the people to live as children of the light not in the dark. You are Christians so act like it. Don't let your actions or thoughts hide the truth of Christ's power in your life. Live in the Light. People who live in the Light used their talents to honour God. Those who hide their talent and not using it will be taken from them. Let us going with preparation and hope and be awake. Be sober. Wear the breastplate of faith and love and the helmet of salvation. Encourage each other along the way.

Grace & Peace. Maile
